

Dear Families,

Welcome to the 2018-2019 school year! It's going to be filled with exciting learning opportunities and we'd like to invite you to come along on our journey to success!

Instruction in ELA will center around building strong readers and writers. There will be a continued focus on Word Study, Social Studies, and Science. Math will explore all the Next Generation (formerly Common Core) learning standards. Please continue to practice multiplication facts with your child.

The fourth grade team is excited to invite you to attend the WCCS Taste of Curriculum, which will be held in the fall, shortly after school begins. During this event, we will discuss the fourth grade curriculum, explain academic and behavioral expectations and answer any questions that you may have. We'll be going over ways that you can support your child at home, programs that will be offered during the school year and strategies to ensure that your child has the most successful academic year ever!

Thank you for your cooperation in getting this year off to a great start!

Sincerely,

The Fourth Grade Team

2018-2019 Fourth Grade Supply List

Each student needs the following:

- 7 hard cover black and white composition notebooks
- 5 plastic folders (red, orange, yellow, blue, green)
- 1 take-home folder (any design)
- 1 unfinished work folder (any design)
